\$135,000 in jewels stolen from auto

Approximately \$135,000 in jewelry and a car were stolen Monday morning from a California jewelry salesman while he was inside the State Bank of Antioch.

Antioch Police Chief Chuck Miller said the police department received a call at 9:42 a.m. reporting that the salesman's car was stolen from the parking lot of the State Bank of Antioch on Lake Street.

The salesman, Arthur Bergeron, was the Midwest regional salesman for the Charles Ligetti Company of California. He had been carrying three cases of jewelry samples in his car, including diamonds, rings and pendants. Lt. Tom Fisher said.

After a search was made for the missing vehicle, a 1978 Chevy Caprice Classic, Miller said Officer Mitchell found the car abandoned one block from where it had been taken, with the \$135,000 in jewelry samples missing.

Miller said an investigation is continuing in the grand theft, which is classified as a felony.

Patrovsky subdivisions now part of village

The Antioch village board voted Monday night to annex the 122-acre property north of town owned by Joseph Patrovsky.

Two proposed subdivisions included in the annexation are located west of Main Street and north of North Avenue and extend to the Wisconsin state line.

The adjoining tracts of land include Johelia Country Estates, comprised of 40.5 acres and Country Ridge Manor, consisting of 73 acres. A total of 400 housing units are planned to be constructed.

Patrovsky, owner of Antioch Packing House, said he is hoping to start construction on subdivision improvements by the end of May or the start of June.

"There won't be any construction of houses until we get the utilities in," he explained. Road work, such as installing streets, sidewalks, curbs, gutters, street lights and parks must be completed before housing construction begins.

He said, "If everything goes well, we'll have the first construction of houses by this fall." Included in his plans are single family houses, apartments and coach houses (similar to condominiums.)

Included in the subdivision is a park with a lake upon it and a landscaped private park at the entrance to the subdivision.

According to village ordinances, Patrovsky was required to make donations of land or money to both parks and schools in order to be annexed to Antioch.

He donated 9.8 acres of land for a village park in the subdivision, 4.5 acres of which is a lagoon. Trustee Don Amundsen said.

Patrovsky said he hopes the park will be named "Johelia" park, which is a combination of the names Joseph, after Patrovsky and his father, Helen, after Patrovsky's mother, and Gloria, after his

sister and wife.

Amundsen said the park will be similar to Doc Jensen park located on Alima Terrace in Sequoia Terrace subdivision.

For a donation to schools, Patrovsky chose to make a monetary contribution, in lieu of land. Antioch High School Superintendent Warren Polley said the amount was based on 6.37 acres, priced at \$25,000 per acre.

He said upon completion of the total project, \$95,550 will be paid to the high school and to Antioch Grade School district 34, with about two-thirds of that amount going to the elementary schools and one-third to the high school.

It will be paid out on a per lot basis as a lot is sold to build on, Polley said, about \$337 per lot.

Johelia Country Lane Estates will include 84 three and four-bedroom homes and 19 five-unit apartments, mainly two-bedroom. Country Ridge Manor will include 137 homes and 22 apartments averaging five units per building.

Commercial development is also included in the annexation, including shopping centers and light industry buildings, to be located near the Antioch Packing House on Main Street.

At the public hearing on the annexation of the two subdivisions, Justine Hubkeman of North Avenue said she was concerned about a water problem that could affect her property and surrounding lots if the new subdivision's storm water system was not installed correctly.

"I know that when it rains, there's a lot of water standing there with open ground — there's definitely a water problem. You think you have a problem now with

JULIAN "JAY" DZIKI of Realty World, Tiffany Real Estate, has just returned from Las Vegas, the site of Realty World's fourth annual convention.

Dziki was one of 3,000 brokers and realtors from across the United States and Canada who attended the convention in an attempt to develop newer and more effective ways for helping homebuyers to overcome the problems of increasing real estate costs and rising mortgage rates.

"With the current state of the economy, potential homebuyers must be particularly careful about selecting a home wisely," Dziki said.

About one-third of the nation's Realtors and brokers have banded together in recent years in franchised marketing groups such as Realty World.

The members combine their advertising and promotional dollars, use a nationwide referral program, and offer other time and money-saving services to consumers, usually unaffordable to independent brokers.

Services held for Antioch juniors killed in car crash

Funeral services for two Antioch High School juniors killed in a car crash in Rockford last Wednesday night were held Saturday and Monday.

The students were killed when their station wagon was struck broadside by another car at the notoriously dangerous intersection northwest of Rockford at Owen Center and Latham Roads.

The two students, Brian E. Beal, 17, of 500 First St., and Daniel P. Verkeyn, 17, of 963 Victoria St., were returning home for the Antioch sectional basketball tournament in Rockford.

Another passenger in the car, Timothy A. Webb, 16, of Grass Lake Road, a junior at Antioch High also, suffered minor injuries.

Winnebago County authorities said Beal, the driver of the car, was headed east on Latham Road and apparently stopped for a stop sign before proceeding into the intersection when his car was hit on the driver's side.

The southbound car which struck Beal's station wagon contained two Rockford residents who were also killed, Dale B. Walker, and Kim E. Johnson, both 21.

The Beal car flipped over several times in a nearby snow-covered field before coming to rest.

Authorities said the driver's side of the

vehicle was caved-in from the impact and the top flattened as a result of the rollover. Beal was pinned in the car.

The car carrying the Rockford victims flew into the air after the collision for more than 100 feet before coming to rest upside down in six feet of water in Mud Creek.

Winnebago County Chief Deputy Coroner Ruth Anderson reported from blood samples that Walker was legally intoxicated based on standards set by the state. She said it has not been determined who was driving the vehicle containing the Rockford residents.

Authorities added that because the accident occurred northwest of Rockford, the Antioch students may have gotten lost when trying to return home after the game.

The intersection at which they were stopped is a two-way stop for Latham Road Traffic. Winnebago County sheriff's police reported. About a dozen people have been killed at that intersection in the past six years, they added.

Beal was one of the top five students in his class and played football and was on the wrestling team. Verkeyn was also a top student and was on the track and cross country teams.

Information on the funeral services appears on page 19.

Wants results for water sewerage problem

Editor:

I am writing this in reference to the water sewerage problem we have on Gary's Drive.

I have attended two meetings regarding this problem: the first approximately five years ago and the other a couple of weeks ago.

At the meeting five years ago, I was told that the Village was going to try to correct the problem by a TV survey and a smoke test of some kind regarding the sewers.

During this five-year lapse of time, I have not seen any results or solutions to the problem.

At the last meeting I attended, I was told that they were in the process of another survey and that to get any kind of government grant would take another two or three years, if not longer.

I was also told that if you have an over-hung sewer, it would solve the problem of back-up. I do have an over-hung sewer and did have a back-up recently. As you can see, this does not solve the problem.

I was also told that if you have two sump pumps it would be of some help. I have one sump pump and naturally it helps, but it does not solve the problem.

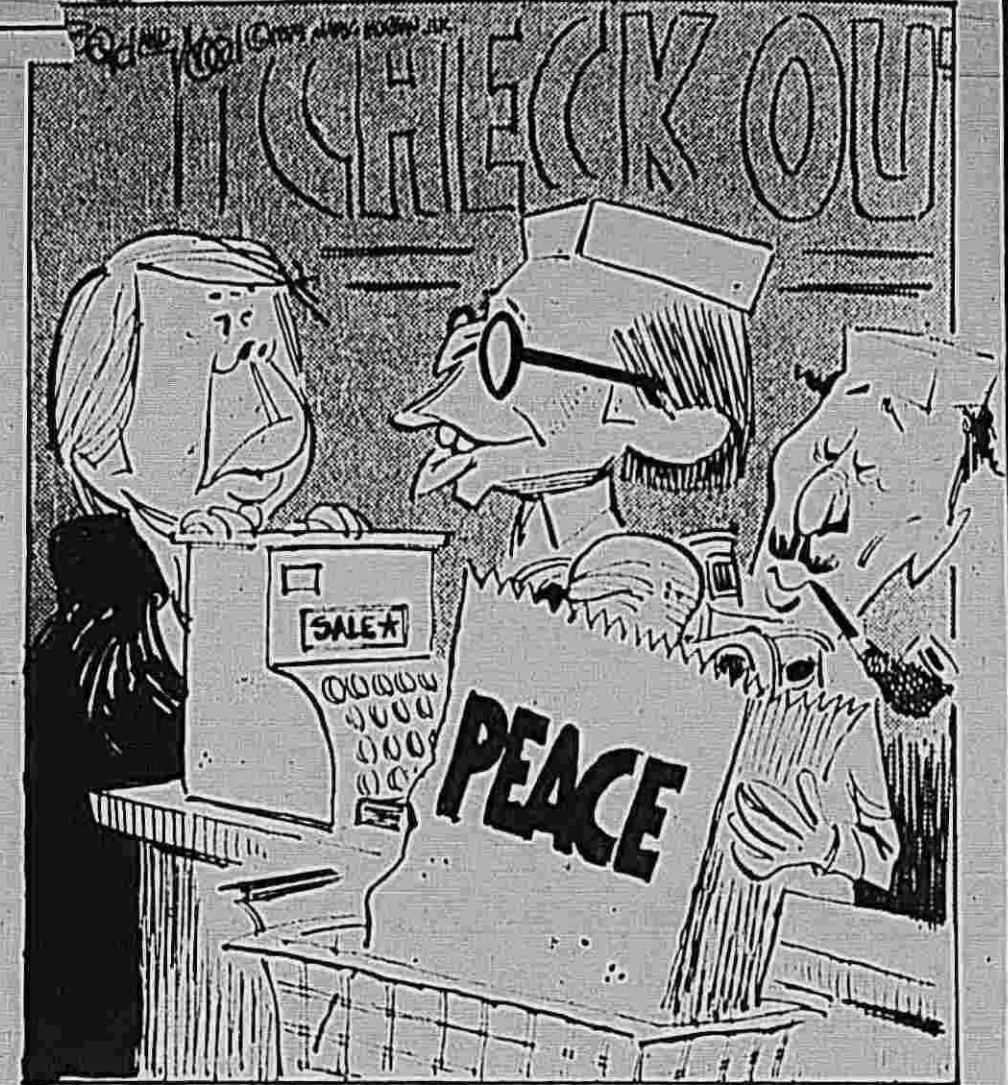

Since I pump the water out onto the ground, it recycles and returns underground; therefore, all I am doing is re-pumping the same water.

I strongly suggested at the meetings that I do not believe the sewers are of adequate size to accommodate the homes presently in the area - and adding more homes will simply magnify the problem.

Also, I cannot believe it makes for neighborly feelings when each resident is constantly pumping water onto his neighbor's property.

In lieu of attending yet another Village meeting and debating this problem endlessly, I decided to write this letter in hopes that it may produce some results, one way or another.

Emergency fund set up for victims of fire

A special fund has been set up at the State Bank of Antioch for anyone who would like to contribute to the Patrick Naughton family, whose home was completely destroyed in a fire last week.

The fire occurred last Sunday in the home located in Channel Lake but no one was injured, Antioch firefighters reported.

All the contents in the home, estimated to be worth between \$40,000 and \$50,000 were destroyed in the fire.

The family was a member of St. Peter's Church in Antioch and the parish has also set up an emergency service for those who would like to donate clothing, furniture or food.

Following is the list of sizes for anyone who wishes to donate clothing. These items may be brought to St. Peter's Rectory on Lake Street at any time:

Women's size 14, 16 - 34; Men's size 36W - 32L; medium or large shirt; boys sizes 4, 16; girl's size 2, shoe sizes: Women's 8, Men's 10, infant size 2 or 3; boy's sizes 5 1/2 or 6, 4 or 5.

The rectory asked that anyone who needs further information about aid to the Naughton family should call St. Peter's at 395-0274, or can donate funds at the State Bank of Antioch.

Oakwood Knolls flooding," she said.

Supt. of Public Works Walt Shepard said he will have an inspector on full-time to make sure that all the utility systems are installed correctly.

Patrovsky also said he would provide the necessary storm water run-off for any existing tiles that adjoin his property.

Mayor Michael Haley told Mrs. Lubke-man that through engineering, the water problem she feared "can be solved."

AT THE VILLAGE BOARD meeting, the board decided to accept the bid of Antioch Excavating Company in Antioch for the Williams Park Improvement project in the amount of \$29,337.

Amundsen explained that the bid was the lower than the two received for the project and that it originally was for \$44,767. The board decided to eliminate two items in the improvement proposals, including the installment of a chain link fence, in order to okay the project.

Improvements will include gravel for parking, seeding for grass and black dirt.

Since the board received \$28,100 from a previous grant for the project, it will cost the village \$1,237 for Williams Park improvement.

Also, Trustee Vern Barnstable announced at the meeting that there will now be weight limits on all the roads in the village. He added that the public works committee knows "roads have to be repaired and we'll get on them."

Also, the board okayed a contract with Lake County planning assistance for \$2,208, half of which will be subsidized by Lake County.

The board also approved a contract for grant services with International Systems, Inc. for \$19,000 to be re-imursed in a two-year period if the firm is unsuccessful in securing grants in excess of the contract amount.

Trustee William Seemann recommended hiring the firm to seek grants that the village has no knowledge of. Village Clerk Marilyn Sterbenz explained that the village would only lose the interest on the \$19,000 if no grants are received.

CLC trustee candidates to speak at rally

A candidates rally for the College of Lake County Board of Trustees election is scheduled for Wednesday, April 4.

The meeting will take place in the lobby of the main building on the Grayslake campus beginning at noon.

The rally format includes a short presentation by each candidate followed by a question and answer session.

Sponsored by the Students Activities Office, the program was planned in anticipation of the CLC trustee election, scheduled for Saturday, April 14, when two board vacancies will be filled.

The meeting is free and open to the public. Refreshments will be served after the rally to allow interested persons to chat informally with the candidates.

Korecek named Bike-A-Thon Chairman

Laddie Korecek of Antioch has been named the 1979 chairperson of the "Breath of Spring Bike-A-Thon" to be held in late May in Antioch, according to Steven L. Schwieger, president of the Northern Illinois Chapter, Cystic Fibrosis Foundation.

In accepting the position of chairperson, Korecek expressed his hopes that many other residents of the area would volunteer their time and talents to this worthwhile project.

Cystic Fibrosis (CF), the most serious lung-damaging disease, is incurable.

One in every 1,600 American children inherits this devastating disease when they receive a gene for CF from each of their parents. It is estimated that 10 million Americans are symptomless and unknowing carriers of the gene which can cause CF in their child.

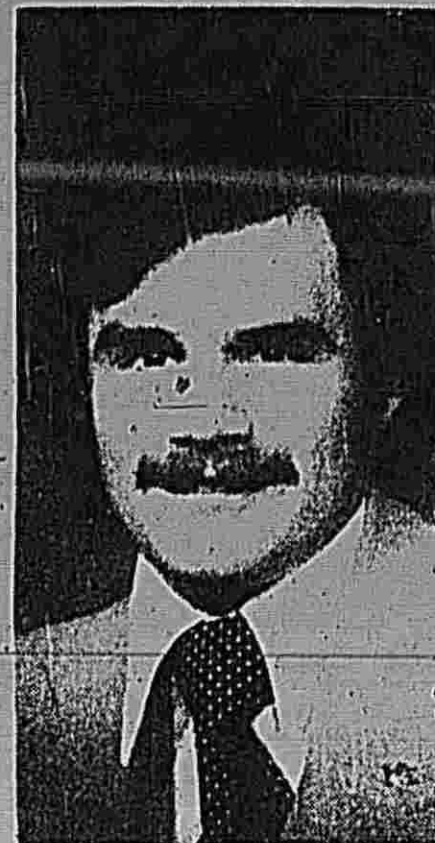

Through research funded by the Cystic Fibrosis Foundation, a test to identify carriers is being sought and scientists are pursuing a cure or control for cystic fibrosis.

The Bike-A-Thon will help support this research and more than 120 Cystic

Fibrosis Center in the United States.

These CF Centers specialize in the diagnosis of care of children with cystic fibrosis and other lung-damaging diseases like chronic bronchitis, bronchiectasis, severe asthma and recurrent pneumonia.

For more information about CF and other lung-damaging disease, contact the Northern Illinois Chapter, Cystic Fibrosis Foundation, 6 N. Michigan Ave., Chicago, Ill. 60602, or phone (312) 236-4491.

KICKING OFF THEIR Annual American Cancer Society Crusade are chapter members, from left, Elsie Higgins, Clara Haling,

LuGene Nissen, Margaret Belongia, Nita Corris, Janet Brook and Emily Novotny. (News photo by Sue Nasenbeny.)

Cancer Society to embark on crusade

Final plans are being made for the American Cancer Society, Lake County Unit's 1979 Annual Educational Fund-Raising Crusade which begins April 1.

American Cancer Society volunteers will not only be urging their friends, neighbors and families to give generously but they will also urge them to put themselves to the test for colon cancer.

The test and the risk factors for cancer of the colon are contained in the educational pamphlet volunteers will offer as they crusade door to door in April.

Antioch will have a residential goal of \$2,700, part of the Lake County Unit's total goal of \$277,800.

Assisting Mrs. Janet Brook as Community Captains will be Mrs. R.E. McKee, Mrs. P. Hameau, Mrs. D.H. Nissen, Mrs. J.A. Fries, Mrs. Margaret Belongia and Mrs. K. Higgins.

Also participating in the drive will be Mrs. E.T. Novotny, Mrs. J.A. Hotchkiss, Mrs. R. Wennerstrom, Mrs. Clara Haling, Mrs. Elsie Kibort, Mrs. R.J. Kruczek, Mrs. C.G. Hallett, Mrs. Mildred Leib, Mrs. C.F. Subry and Mrs. L.A. Abrams.

Jean Jordan, coordinator of the crusade said 232 Antioch volunteers will carry public education leaflets to their neighbors this spring.

"This information helps to narrow the gap between what we know about cancer and what we must do about it.

"The significance of that effort made by these volunteers who care about their neighbors is that today more people are dying of cancers which can be prevented or cured than are dying of cancers for which there are no answers," she added.

Antioch Chairman of the Crusade Janet Brook

commented, "Now we are saving only one out of three and we could do a lot better.

"However, we need to know more about the disease, we need to tell more people how they can help protect themselves against cancer. All of that costs money and there's just not much that can be done without everyone's help," she explained.

"Contributions from our friends in Antioch can be considered as an investment. We can pay this investment back by possibly helping add years to the lives of - our families, children and friends, by helping cancer patients cope, and by helping scientists find the answers to this disease," Mrs. Brook said.

She added, "I hope everyone understands the value of this crusade to themselves and that they will give generously when a Cancer Society volunteer knocks on their door this April."

13 candidates to compete for 'Miss Antioch' Saturday

Excitement is in the air this final week before the Miss Antioch Pageant to begin at 8 p.m. this Saturday, in the Antioch High School Auditorium.

The 13 young women entered will compete in swimsuit, talent and evening gown competition.

The contestants talents vary from jazz, modern and disco dance to dramatic reading, with several singers and instrumentalists.

Master of Ceremonies for the evening will be Larry Leafblad, well known radio commentator and leader of "The Scotch Lads." Additional entertainment for the evening will be provided by the Antioch High School Jazz Band.

The five judges for this event have been obtained by Jack Collins, State Field Director of the Miss Illinois Pageant.

They are experienced judges from the Chicago Suburbs.

After her crowning Saturday, Miss Antioch will begin preparing for her Illinois State Competition to be held July 21 at Aurora College in Aurora, Ill.

"We have been working long and hard on this project and we're all very excited to see who will represent Antioch in the state competition," said contest Chairman Brad Ipsen.

"All the contestants are very talented, personable young women. Anyone of them will be a credit to our village," he added.

Divorced Catholics to hear speaker

The Rev. Robert Balog, associate pastor of St. Mary's Church, McHenry, will speak at 7:30 p.m. Thursday at a meeting of separated and divorced Catholics at St. Dismas Church, 2600 Sunset Ave., Waukegan.

The Rev. Balog has been instrumental in starting successful divorce support groups in the Rockford Archdiocese.

A discussion is planned following the talk.

For further information, please contact Bernice Stepanich at Lake Forest Hospital, 234-5600.

Tickets limited for VIP dinner dance

The 11th Annual VIP Dinner Dance, honoring Lloyd "Red" Murrie will kick off on Saturday, March 31, at St. Peter's Social Center.

Murrie has been selected as the VIP in recognition of his many years of service to the community as Township Supervisor, member of the County Board, and member of the Antioch Rescue Squad, VIP committeemen said.

General co-chairmen Bill Barr and Paul Maginot said that the various committees have been working very hard to make this a memorable event for "Red" Murrie.

The program will begin with cocktails at 6 p.m. Dinner will be served from 6:30 p.m. to 8:30 p.m., and an organist and soloist will entertain during the cocktail hour.

Dancing to the "Board of Directors" band will begin at 8 p.m. with William E. Brook, president of the State Bank of Antioch as the Master of Ceremonies for the event.

Dancing will resume at 9:30 p.m. until 1 a.m.

Tickets are limited and reservations must be made by this Sunday. Please call the ticket chairmen William and Jean Stanley at 395-6648 now for reservations, program coordinators urged.

Faulty TV blamed as cause of fire

By Kevin Kelly

A faulty television set was blamed as the cause of a house fire on Michigan Avenue near Grass Lake Road last Wednesday, Antioch firefighters reported.

At approximately 11:45 p.m. the Antioch Fire Department was alerted to the fire which was fully involved when firemen arrived, they said.

Quick efforts saved the structure although there was heavy fire and smoke damage to the interior.

Fire officials reported the only resident of the house at the time of the fire, Iris Schroeder, escaped injury.

The Antioch Fire Department was assisted by the Fox Lake and Spring Grove Fire departments.

What is a Homeowner's insurance policy? That's a good question. I'm glad you asked.

You can buy fire insurance. You can buy liability insurance. You can buy theft insurance. A homeowner's insurance policy is a package policy that combines these coverages and more.

The typical homeowner's policy insures you against loss of your home, loss of personal property in that home, and liability arising out of your ownership of the house.

Homeowner's policies are generally divided into two parts; property and liability coverages. This week and next we will talk about the property coverages.

First, we'll talk about the amounts of coverage on the different types of property. Then next week, we'll talk about what perils are covered.

The property coverages in a Homeowner's policy generally key off the face amount on the house itself. The amount of coverage on property other than the house is generally a certain percentage of the coverage on the house.

The standard ratios in homeowner-2 and homeowner-3 policies are:

Property Covered
House
Detached structures
contents
additional living expense

The detached structures coverage applies to any separate buildings on the property such as a detached garage, shed, or a boat-house.

Contents refers to the personal property you keep in your home; furnishings, tools, clothes, etc. Business property is generally excluded.

Additional living expense refers to the extra expenses you incur because you can't live in your house after a fire; hotel and cleaning bills, for example.

The companies generally pay the actual incurred expenses after they exceed what you normally spent to support yourself.

This column is a discussion of the provisions generally found in homeowner's insurance policies. To know exactly what is and is not in your policy, you would have to read the policy itself.

This column is meant for the general education of Antioch News readers. It is not meant to prompt action on anyone's part.

Before taking any action suggested to you by this column, check with your attorney, or insurance agent.

If you have any general questions you would like to see answered in this column, you can write to me either here at the Antioch News or at my office with Antioch Savings and Loan.

Women of Moose hold special enrollment

by JUDITH PAGE

A special meeting and enrollment were held by the members of Antioch's Chapter of the Women of the Moose last Thursday.

Green-cap co-worker

Judy Cook was honored for the accomplishments the chapter achieved while she served as senior regent last year.

Senior Regent Judith Kelly opened the meeting

by presenting Judy with a money corsage from the chapter after which Judith gave a short history of Judy's Moose accomplishments.

A green-cap doll,

adorned with a money skirt, was given to Judy from the members for their appreciation.

The balance of the meeting included balloting on new candidates, March birthdays and the quarterly attendance drawing which was won by Louise Imburgia.

The senior regent announced tickets for the honorary dinner to be held on May 10th were available.

The chapter's next enrollment will be held April 5th at 8 p.m.

Jump A Thon for heart to be held

Skip your way to heart health by joining the thousands of athletes, youngsters, housewives and businessmen who are rediscovering the age-old art of rope jumping, the Heart Association of Lake County advised.

No longer considered just a "child's game," rope jumping is an excellent exercise for improving one's cardiovascular fitness and a lifetime activity that can be enjoyed by all ages, director Mike Shaw said.

Nearly 900 Illinois schools including Antioch High School will be conducting the Jump Rope-A-Thon during March and April with a target date of March 31.

Lake County schools that will be conducting a Jump Rope-A-Thon for Heart include: Antioch Community High School, Lyon School, Waukegan; Raymond Ellis Elementary School, St. Joseph School and St. Paul Lutheran School, Round Lake; Woodlands Academy, Lake Forest; Aptakisic-Tripp School, Prairie View; Holy Rosary School, North Chicago and St. James School, Highland.

Persons beginning a rope jumping program, just as any other type of exercise program, should start gradually.

Ever worry about a lost or stolen "necessary" check? Not anymore!

Ever wonder what you would do if a "Necessary Check" — one that you depend on to pay the monthly bills which keep rising and seem never ending — would get lost or stolen? What would you do? Who would you call? How would you pay the bills?

No need to worry! There is a solution which can be achieved very easily with the help of Antioch Savings. If you're currently receiving a "Necessary Check" from the Federal Government — Social Security, Railroad Retirement, or other Federal

recurring payments — you can arrange to have those "Necessary Checks" deposited directly into your account at Antioch Savings. Similar arrangements can be made for dividend checks, interest checks, monthly rent, or other recurring checks. By having them deposited directly into your account, there's no chance for theft or loss of any kind.

What better place than in a high yielding Antioch Savings' savings account to protect the funds which are so important today! Plus, you'll be earning that

high interest sooner than if you received the check yourself and then came to Antioch Savings to deposit it. Bad weather like we've had over the past winter months or sickness won't prolong you from attending to your financial business.

It makes sense. Life today can be complicated. Why not take advantage of one of the ways that Antioch Savings helps to make it easier. Come in or call us about direct deposit. Helping you with direct deposit of your "Necessary Checks" is another way that Antioch Savings is "Making Good Things Happen"

Miss Antioch candidate

Lillian Foreman may be a doctor

Petite, blond Lillian Foreman, 19, a candidate in the Miss Antioch pageant, said she was always interested in having a career in a health-oriented field some day.

That's why the 1978 graduate of Antioch High School is attending Carthage College in Kenosha in order to become a medical technologist or pediatrician.

LILLIAN FOREMAN

While in high school, Lillian was a cheerleader for four years and also was a Flag Girl in the Marching Sequoits for four years.

She was on the executive board of Student Council for two years and on Student Council for one year. Also, she was named to the National Honor Society and was on the honor roll for four years.

The talented young lady also played clarinet in the band all throughout high school.

However, she has opted for another type of talent to perform in the Miss Antioch pageant — a drama skit recreating the life of a slave in the Deep South.

Lillian said she enjoys both water and snow skiing, reading and dancing.

She also keeps busy at school with her studies and at a part-time job demonstrating cutlery.

She said she could use the Miss Antioch scholarship award toward her college degree and would eventually like to transfer to Marquette or the University of Arizona to pursue a health oriented field.

Lillian, who has lived in Antioch since she was in third grade, is the daughter of Ursula and Richard Gorny of Antioch.

She has one sister, Lynette, a student at Antioch Upper Grade School and two step-brothers and a step sister who reside in Chicago.

KEVIN ANDERSON, a senior at Antioch High School, introduces the next act as the emcee at the high school's annual musical variety show, "Copacabana '79." This was the fifth year the Jazz Ensemble has staged a variety show. (News photo by Paul Dugenske.)

Amateur art invited for annual show

Amateur artists in Lake County are invited to participate in the 21st Annual Town & Country Art Show.

The show is sponsored by the University of Illinois Cooperative Extension and it will be held on March 30 and March 31 in Building 7 at the Lake County Fairgrounds on Rte. 45 in Grayslake.

Exhibitors both youth and adult amateur should present their entries on March 28th between 1 p.m. and 5 p.m. and 7 p.m. and 9 p.m. Each artist is permitted to exhibit up to four entries.

The Lake County Town & Country Art Show is open to amateur artist and craftsmen residing in Lake County and to residents in border counties if they are a regular participant in Lake County Extension programs.

Categories of eligible art work include painting, drawing, printmaking, photography, sculpture and crafts. Emphasis in the show is on originality and creativity.

Work or ideas taken from reference sources, magazines, post cards, or published art work is not acceptable.

Work originating from pre-packaged kits, craftwork patterns and china painting are not eligible.

Dr. Walter Johnson, retired from the Fine Arts

Department, University of Illinois, will appraise the entries and hold a public critique.

Complete rules and regulations and entry forms may be obtained by contacting the Lake County Extension Service, 310 N. Highway 45, Grayslake or phone 223-8627.

Moose to hold Kiddie Carnival

Attention, you winter worn, haggard parents!

Looking for a way to vent your kids pent up energy and relax a little yourself? Bring them to the Antioch Moose sponsored Kiddie Carnival on Sunday.

There will be games, clowns, raffles and prizes, coordinators said.

Food will be available as well as refreshments for kids, moms and dads at the

bar. The fun starts at 2 p.m. and keeps going.

Treat your family to a day out and enjoy the coming of Spring. Moose members ask.

This great day is on tap for all Moose members and their guests at the Moose Lodge on Main Street in Antioch.

Annual flower gardening seminar set

An Annual Flower Gardening Seminar has been scheduled for 7:15 p.m. April 2, in the Extension auditorium in Grayslake.

G.M. Fosler, floriculturist at the University of Illinois, will present a slide program by telenet.

Dr. Fosler will discuss about 20 specimens of annual flowering plants adapted to Illinois.

The Horticulture Department has put together a reference and informational packet which will be given to each enrollee. There is a \$5 fee to cover material and program cost.

Send check to Lake County Cooperative Extension Service, 310 N. Highway 45, Grayslake, or call 223-8627 for reservations.

Antioch's VIP

'Red' Murrie began office with 1 filing cabinet

by SUE NASENBENY

When Lloyd "Red" Murrie, Antioch's VIP for 1979, started his position as Township Supervisor, he was given a file cabinet with three drawers to work with, and he moved it into his gas station on Park and Main Streets.

But then again, that was in 1954 and the township had only about 4,000 or 5,000 residents. Now it has about 15,000 residents, he said.

Murrie said he has seen the township grow tremendously in the 22 years he was supervisor.

After about five or six years of working out of an office he created in his Standard Service Station, he then opened an office on the west side of Main Street and then moved to an office space near the Village Hall, in what is now the Antioch Chamber of Commerce office.

HIS BIGGEST JOB as township supervisor, he said, was "helping the indigent people, sort of a poor master."

He was responsible for finding housing for the poor, issuing food orders, and helping with rent and medical attention for the underprivileged.

During his term in the late '50s, he initiated the construction of a garage in

Industrial Park to house the township's highway equipment.

Also, he started the project for a new township building, which is now located east of Rte. 83 on Rte. 173.

It was financed through federal revenue sharing funds and Murrie said because he retired from office in 1976, "I never got to sit in the new building," he chuckled.

MURRIE WAS ALSO a member of the Lake County Board, starting in 1954 when he won his first election for township supervisor. He explained that during that time, the township supervisor was automatically given a seat on the county board.

Then in 1970 the new Illinois Constitution declared that the two were separate jobs and Murrie then ran for that office and won again on the Republican ticket.

He served on the board until last year, when he retired as dean of the board — having served longer than any member on the board.

Murrie, who graduated from Antioch High School in 1929 and later married classmate Louise Simons, was also active in several clubs and organizations in town.

He was on the Antioch Rescue Squad for 20 years, belonged to the Lions Club, Moose Lodge and the Masons.

NOW THAT HE is retired, he said he spends his time reading and watching television and later plans to do a little fishing with his grandsons on Lake Marie, where he lives.

He said he misses the people he worked with daily, but he was "ready to retire," explaining that his health has been bad for the past couple of years.

Murrie and his wife Louise have two children: Mike, who now lives in Chicago with his wife, and Marilyn, who has two red-headed children like their grandfather used to have; Bill, a third grader at Channel Lake School, and Dusty, in

kindergarten at Peppermint Stick preschool.

MRS. MURRIE'S first cousin William Brook, president of the State Bank of Antioch, will be master of ceremonies for the VIP dinner dance honoring Murrie March 31 at St. Peter's Social Center.

When asked what he thought about being named as Antioch's VIP for 1979, Murrie replied with a smile, "I'm surprised and happy that I'd be considered. Antioch has always been near and dear to my heart, and to have the people in the community give me this honor makes me real happy."

Sweet Adelines to enter chorus contest

The Lake County Chapter of Sweet Adelines will enter regional chorus competition in Kalamazoo, Mich. on March 23, 24 and 25.

Auditions for Renaissance Faire set

Auditions for prospective entertainers for this summer's "Seventh Annual King Richard's Faire - A Return to the Renaissance" will be held at the College of Lake County this month.

On March 28-29 auditions will be held from 7 p.m. to 10 p.m. at the College of Lake County.

Also, auditions will be held in Milwaukee at the Milwaukee Performing Arts Center, 123 State St., fourth floor - Rehearsal Hall A on March 31 from 10 a.m. to 2 p.m. and from 6 p.m. to 9 p.m. and on April 1 from noon to 3 p.m. and from 6 to 9 p.m.

All applicants are asked to bring a photograph and a resume to the auditions.

King Richard's Faire, a recreation of life in England over 400 years ago, is actively seeking appropriate period entertainment including actors, mimes, puppeteers, jugglers, dancers, wizards, mentalists, gymnasts, street performers and various beggars, rogues and scoundrels.

The Seventh Annual King Richard's Faire is scheduled to open on Saturday, June 30 and continue for five consecutive Saturdays and Sundays through Aug. 4 and 5. The Faire is located on a permanent pastoral site adjacent to the I-94/Russell Road interchange near the Illinois-Wisconsin state line.

Appointments for auditions are not necessary, however, specific appointments are available by calling or writing John T. Mills at Greathall/King Richard's Faire, 12420 128th St., Kenosha, Wis. 53112 (414) 396-4385 or (312) 689-2800.

The 35 member chorus under the direction of Joan Gardner will compete with choruses from Region three which includes parts of Illinois, Michigan and Indiana.

Each chorus is judged in the categories of showmanship, expression, music, and sound by a panel of four judges who are trained and selected at the inter-

national level.

Area residents attending are: Mrs. Robert Bell, Antioch; Mrs. Louis Korom, Lake Villa; Ms. Betty Cowdry, Lindenhurst and Mrs. John Pace, Bristol, Wis.

The Lake County chorus rehearses at 8 p.m. every Monday at the Viking Park Recreational Building in Gurnee.

Grass Lake PTO sets 'Las Vegas' night

Want to beat the winter blahs and forget about the snow?

The Grass Lake Parent-Teacher Organization is sponsoring a "Las Vegas" night from 7:30 p.m. to midnight Saturday at Steitz's Resort in Antioch.

An evening of door prizes, auctions and refreshments is being planned, with donations for the night set at \$1.50 per person for \$5,000 in play money.

Winings will be used to purchase prizes at the auctions with hourly drawings for other prizes.

No one under 18 years of age will be admitted. Steitz's Resort is located west of Rte. 59 on Grass Lake Road.

Organizers said they would like to thank area merchants for their continued support of all prizes and donations, because without their help the function would not be as successful.

Along the way with ANNIE MAE

BIRTHDAYS, CAKES & CANDLES!! That's the order of the week in the Zeien household. Patrick will get the first cake on March 25, with 26 candles to blow out. Chris Zeien will have 12 candles to take care of on the 26th. Beth will have eight candles (if there are any left) on the 27th. And we can't forget about Joe, who celebrates on the 30th. How many boxes of candles would you need to put 38 of them on one cake??

Best wishes to all of the Zeiens this week, and hope you don't gain too much weight from all those cakes!!

EIGHT YEAR OLD Julie Ann Cunningham, daughter of Ron and Mary Cunningham, is home recovering following surgery at Children's Memorial Hospital.

Julie told me she was happy to be home in time for her sister Sundry's 12th birthday.

TICKETS FOR the 11th annual VIP dinner dance will only be available until this Sunday, so be sure to reserve a couple of places or a table now!

The dinner will honor former Township Supervisor Red

MEMBERS of Antioch, Highland Park and Gurnee American Legion Posts were hosts of a party given to the Veterans at Downey Veterans Hospital recently. Cakes and refreshments were served and I'm told everyone had a fine time.

DON'T FORGET to come out and see the Miss Antioch pageant Saturday night at the Antioch High School Auditorium!

The 13 beautiful girls entered have been getting ready for the contest all winter and it promises to be a good one. Larry Leafblad is the emcee and I hope to see you there!

SPRING FINALLY HAS SPRUNG! Officially it started today, but Sunday afternoon it was so beautiful outside I could've gotten a suntan. The only problem was my yard wasn't ready to accommodate any lawn chairs yet ... still have to shovel away four months' accumulation of dog residue left behind from the winter.

That's okay, though. I'm just thankful the sun finally decided to warm things up.

JOE AND MARILYN Sterbenz celebrated their anniversary last week in style. Joe rented a limo and they enjoyed a relaxing evening at a restaurant ... I just love it when men remember anniversaries.

HAPPY 16th Birthday this Sunday to Andy Dugenske, the wonderful photographer we have at the Antioch News. The sophomore track star just can't wait to get his "wheels" this June. But you've got to pass that driver exam first, Andy.

Birthday hugs and kisses also to my favorite "Angel" who'll be 15 on Monday!

TODAY IS AN exciting day for 1,000 area school children!! The Chain O'Lakes Shrine Club is sponsoring a trip to the Medinah Circus in Chicago for these youngsters. What a nice thing to do!

Upper Grade Wrestlers take 5th in state meet

Antioch Upper Grade wrestlers grabbed fifth in the state championship meet held this past weekend at Joliet, with four of the nine grapplers placing in the top four spots of

their weight class.

Coach Ken Anderson said the top four Antioch wrestlers in the meet, sponsored by the Illinois Kids Wrestling

Federation, were:

George Bessette (135 pounds) — First Place State Championship.

Andy Lehn (125 pounds) — Second Place.

Billy Carney (155 pounds) — Third Place.

Tad DeRousse (95 pounds) — Fourth Place.

Other boys who qualified for the tourney were John Oelkers (105), narrowly defeated by the boy who became the state champion; Steve Case, (95); Tim Curtis, (100); Jeff Nieze, (80); and Tibor Jung (145).

All the nine matmen did a super job of wrestling and were a credit to their team and school, Coach Anderson said.

Anderson and Assistant Coach Steve Alberts said they were extremely pleased with the boys, as they exhibited fine sportsmanship, competitiveness and class, both on and off the mat.

Of the nine state matmen, call are eighth graders, except for Lehn and Case, who are seventh graders.

At the final tally of points at the tournament end, Antioch finished fifth, being rather close to the second, third and fourth place teams in total points.

Plainfield, the two-time defending state champions, won the tourney, with Joliet, Burbank and Chicago Ridge taking second, third and fourth respectively.

George Bessette and Andy Lehn became the first Antioch Upper Grade boys to wrestle in the championship matches and Bessette the first to become a State Champion.

Previous place winners were Jon and Marvin Gibson and Gene Lehn, Andy Lehn's brother.

In addition to placing fifth in state as a team, the Upper Grade finished their third season out of five with an undefeated dual meet record and placing first in four major tournaments this year.

The Antioch Upper Grade wrestling staff said they thank all the helpful and thoughtful parents for their tremendous support through the season, and wants to congratulate John McCarthy, an eighth grader, on the fine job he has done as team manager for the past two years.

Gymnasts win 2 meets

After losing its first two meets against Wauconda and Libertyville, the Antioch gymnastic teams have won their last two meets against Warren and Woodstock.

The Antioch J.V. squad defeated Warren's J.V. 79.4 to 72.5. Strong performances were shown by Dawn Walker, Jeanine Baker and Carol Blecke.

On the varsity level, all-around, gymnast Debbie Sieben defeated Warren's Sherry Seay 6.35 to 6.28. The varsity team scored 78.4 to Warren's 72.08. Antioch gymnasts took first second and third on the uneven bars, led by Tracy Ernstmeier.

Antioch faced Woodstock March 16 and the J.V. team won 70.4 to 65.8 while the varsity outscored Woodstock 82.25 to 78.48.

First place performances for the varsity team were performed by Bridgette Roth on uneven bars - 6.3; Deb Sieben on balance beam - 7.05 and Dawn Krahn - floor exercises - 7.95.

KARLA HERBST of Antioch, a freshman on the varsity tennis team at Northeast Missouri State University, helped her team defeat Graceland College in doubles competition.

Karla and teammate Maria Tuley rallied at the No. 3 doubles spot for a 4-6, 6-4, 6-2 win, Coach Katy Janz said.

"HE ISN'T HEAVY, but he isn't my brother either," Andy Lehn could have said as he carried his 125-pound opponent in the Illinois Kids Wrestling Federation tournament. Lehn emerged as a state champion. (Photo by Pete Jung.)

BRIAN ANDREWS goes up for two points in a Rockford College game. Andrews, who graduated from Antioch High School last spring, is a freshman at the college. He recently was awarded his first varsity letter as a guard on the basketball team, which posted an overall 19-7 record and was second in the Northern Illinois Intercollegiate Conference at 9-3. A reserve guard on the varsity, he started on the team's junior varsity averaging 11.8 points and 6.5 rebounds while hitting 45 percent from the field and 73 percent at the line.

2 tie for first in basketball contest

The final Antioch News basketball contest of the season ended in a two-way tie, so each of the winners will receive \$12.50 from the \$30 prize list.

The winners were Cathy Tanner and Jim Weber, who picked Rockford East to beat Antioch in last week's sectional tournament and came within one point of the final score ... the Rockford team won by 15 points.

Three others — Bonnie Goodrich, Les Geist and Brad Herbst — also missed by only one point, but they picked Rockford East to win the tournament.

Selecting the eventual tournament winner was the "tie-breaker" and both Cathy Tanner and Jim Weber correctly picked Rockford Auburn, which edged East 71-69.

The checks will be sent out this week, courtesy of Antioch Counseling Clinic, Thelen Sand & Gravel Company, and Bob's Septic and Cement Service.

Bonnie, Les and Brad will share third place and each will receive a check for \$2.

Kaht elected president of Conservation Club

Henry Kaht of Antioch is the new president of the Northern Illinois Conservation Club, which recently elected its board of directors for this year.

The remaining new officers are:

Vice President - William Brook; Executive Vice President - C.P. Raymon; Secretary - Karleen Wurster; Assistant Secretary - Jean Rockow; Treasurer - Betty Sutcliffe; Four-year Directors - Robert Lindquist and John Sutcliffe; Three-year Directors - E. Dilabio and John Swanson; Two-year directors - Norm Rockow and Jerry Rockow; One-year directors - Gene Wagner and Chuck Miller.

Board meetings take place at the Conservation Club on the second Tuesday of each month starting at 7:30 p.m.

The all-member meetings take place at 8 p.m. at the Club on the fourth Wednesday of each month.

A special program is scheduled for after the March 28 meeting. D. Bushing of the Conservation Club announced.

Miss Laura Oftedahl will conduct a program from the Leader Dog School, complete with movies and a question and answer session.

The public is invited to meet Laura at the meeting and her leader dog "Casey." Refreshments will be served afterwards.

Olsons capture 42-pound sailfish

Lots of folks from Antioch may go to Florida for a little fishing trip, but how many come back with a 42 pound sailfish?

Recently Stuart Olson and his son Jon had just that luck when they landed the huge fish off the east coast of Florida in the Gulf Stream.

Steve said they were lucky again to get Capt. Fred Dittmer to guide them in the Lemon Bay area. "We landed good catches of snook, sheephead and trout," he said.

"The highlight of the trip was when Capt. Don Pittman of Stuart, Fla. (formerly of Antioch) invited us to fish the Gulf Stream with he and his wife Maizie.

"Don has a small but well-equipped fishing boat. Capt. Fred and his wife Flo had not done this type of fishing for a few years so landing sailfish, dolphin, and mackerel was as much a thrill to them as it was for my son and I," he explained.

"The sailfish weighed 42 pounds. I don't want Jo-Pat to feel bad, but the small ones are better to have mounted," he laughed.

High School plans 'Donkey Basketball' event

The Antioch High School "A" Club and Parent-Teacher Club will sponsor a benefit "Donkey Basketball" game at 7:30 p.m. on Tuesday, April 10.

Proceeds will be used to furnish high school students with scholarships and to buy equipment for extra-

curricular activities.

Another attraction April 10 will be a basketball game between the "A" Club and the high school faculty "all-stars."

In addition, there will be a "Donkey Derby," a girls basketball contest and a trick mule act.

Students learn to be 'Superstars'

STUDENTS AT ANTIOCH Upper Grade are learning to increase their speed, agility and strength under the "Superstars" program in physical education classes. Teachers Steve Alberts and Bob Lipinski started the fitness program five years ago and modeled it after the "Superstars" program on TV. Five stations help the students train for various

activities, the agility run to the high jump.

To the left, George Bellefeville, an eighth grader, climbs up the 15 foot rope in the gym. Above, four students practice rope jumping in the program. They are, Rich Byrne, eighth grade, Lloyd Huber, sixth grade, Matthew Dye, eighth grade, and Tim Prinsing, sixth grade. (News photos by Sue Nasenbeny.)

Junior girl bowlers take first in state

In January, Antioch Bowling Lanes sent two youth bowling teams to the State Finals at Rolling Lanes in Countryside.

There were 74 teams bowling, and Antioch Bowl said they are happy to announce that the girls team bowling for Erickson's Sewing Center placed first.

Bowlers and their scores were: Dawn Smith 182-414 series; Andrea Anderson 143-386; Kelly Propeck 148-345; Andrea Kohl 142-383; and Kim Stender 201-502 series.

Each of the girls will receive first place trophies and patch awards for their outstanding performances.

This is the first time Antioch Bowl has won a State Championship and the girls

should be congratulated, program coordinators said.

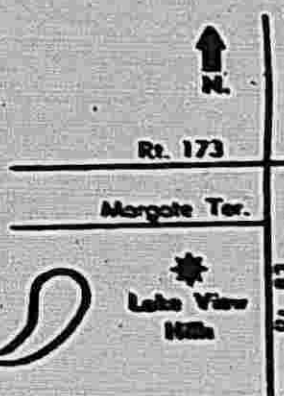

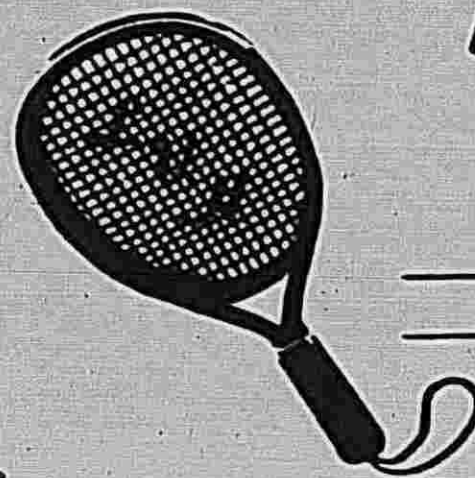

Placing fourth in the Prep girls division was the

State Bank team: Kelly Williamson, Kim Nicholl, Sunday Smith, Tammy Doolittle and Susan Steiskal.

These girls will receive patch awards from the Illinois State BPA.

Police chase teen for 30 miles

An Antioch Police chase that began early Sunday morning at Rtes. 59 and 173 ended up 30 miles away on the Tri-State Tollway just north of the Rte. 60 overpass.

Antioch Police Chief Chuck Miller said a 16-year old youth was arrested by police on several traffic charges and was released in the custody of his parents pending a court hearing April 18 in the Fox Lake branch of the Lake County Court.

The chase began at 2:42 a.m. Sunday when officer Bill Kukla detected from a hand-held radar that the youth was traveling 60 miles per hour in a 40 mph zone at Rtes. 59 and 173.

Kukla said the youth continued through the intersection after the traffic light had turned red and he went after him eastbound on Rte. 173.

The chase continued to the tollway entrance and then south down I-94 in speeds in excess of 70 mph, with police from Antioch, Lake County Sheriff's department, the state and Lincolnshire in pursuit.

The youth was finally stopped when police curbed his car at the Rte. 60 overpass. Police said the youth tried to pass the Lincolnshire squad car and sideswiped it and his car bounded off the concrete divider separating the north and southbound lanes.

Both the Lincolnshire and Antioch squad cars were damaged, Miller said.

Antioch Police charged the youth with reckless driving, fleeing and eluding, and traffic light violations at Rtes. 173 and 59 and Rtes. 173 and 83.

AARP to host 14th anniversary party

The Antioch chapter of the American Association of Retired Persons heard an "excellent" presentation, members said, by guest speakers from the Barr Funeral Home last week.

Funeral Directors William Barr and Paul Maginot showed a film and answered questions on funeral services and the responsibilities involved.

Responsibilities include flower arrangements, visitation and funeral and cemetery services.

Also at the meeting, President Esther Aiani said she received a card from Dolly and Clarence Spiering, vice presidents of the AARP, from New Guinea, a large island in the East Indies, north of Australia.

They are currently visiting there and said it took them two weeks to get to their destination.

The 14th anniversary party of the AARP will also be at St. Patrick's Day party on Tuesday, March 27. Corned beef and cabbage will be catered from LaVern's Catering Service with a choral group and barbershop quartet performing the entertainment.

The AARP, Chapter 387 of Antioch is currently having a membership drive for persons 55 years of age or older.

New members are invited to attend meetings, held at noon the second and fourth Tuesday of the month in Father Frawley Hall in St. Peter's Church at 557 Lake St.

It has been said that Alexander the Great had his armor made especially large so his enemies would think him a giant.

Sequoits end season; Ploss on 'star team'

The basketball season is over for Antioch High's Sequoits — but the memories will last till next November.

Among them are Antioch's recent thrilling victory over Grant in the regional championship finals, and the election of high-scoring forward Pete Ploss to the all-conference team in the Northwest Suburban League.

The Sequoits were defeated in the sectional tournament, as the forecasters predicted, by Rockford East's tall team.

East boosted its record to 24-5 by beating Antioch at Rockford but then, the E-Rabs, who were fourth in the state last year, lost the sectional title to Rockford Auburn by two points, 71-69.

PLOSS HAD QUITE a night in Rockford, despite the fact that the Sequoits lost 84-69. He finished with 25 points in that game and, on the basis of his performance all season, is considered a good bet to make the all-county team to be selected by the News-Sun in Waukegan.

Antioch finished its season with a 13-14 record.

Rockford East's front line averages

nearly 6-5 and when airborne — its natural state — appeared a foot taller than Antioch's big men. E-Rab center Tony Mims, a 6-4 skyrocket, blocked no fewer than nine shots (on three of them, he was whistled for personal fouls) and finished with 10 rebounds and 12 points.

But Antioch, a perennial Northwest Suburban powerhouse, had virtually no returnees this season to build on. Yet, the Sequoits went 8-6 in their conference and were out there trying until the final buzzer.

Antioch forward Ploss led all scorers with 25 points, 16 in the second half. By then Ploss had learned to adjust to shooting over Rockford's front line.

"I just kept working inside," said Ploss. "I had to fake, then double pump because there was nothing else I could do to get a shot off. That's the first time I had to do that this year. I usually just go straight up and shoot."

Ploss, and Scott Gallagher with 12, were the most effective scorers for Antioch. Gallagher, 6-1 and 180, was out front in the second half and drove the lane several times, putting his hard, high hook shots off the backboard.

Girls' varsity ends season

The Antioch girls varsity basketball team finished their season with a heart-breaking 40-38 loss to North Chicago in the Antioch regional. The winning shot was in the air at the buzzer and went in to provide the margin of victory.

The Antioch girls got off to a slow start offensively and were kept in the game by senior Michelle Wolf who scored all of her seven points in the first half. The Sequoits only made four field goals during that time but tallied 11 free throws to stay within two at halftime.

North Chicago pulled away to a 10-point lead in the third quarter but the scoring of Tracy Manuel and Chris Byrne helped end the quarter 31-27.

The last quarter was touch-n-go but ended 40-38 North Chicago.

The Sequoit girls finished the season with a 12-10 record. Antioch shared the North Suburban Championship with Grant and Wauconda and placed two players: freshman Tracy Manuel and senior Mae Stiles on the all-conference team.

Following the season, the team voted Tracy Manuel most valuable player and Michelle Wolf most improved.

GIRLS BASKETBALL gained popularity in area high schools this season and among the reasons were players like Tracy Manuel of Antioch, shown here taking a shot in the regional tournament against North Chicago. Antioch lost this game 40-38 but tied for the league championship, and Tracy was an all-conference selection.
